

THE WESLEY CENTER

Join us at the next Cursillo Spiritual Retreat held at the Wesley Center, nestled in the serene forests of Woodworth, near Alexandria.

Participants and staff find solace in the comfort of hotel-style rooms at the East Lodge. Delicious buffet-style meals are shared in the inviting dining room of the main building.

As you embark on this transformative experience, the De Colores Center will be your primary refuge for meetings while the chapel, with its breathtaking view of the lake, beckons you for moments of reflection, prayer, and worship. Connect with God and embrace the beauty of nature at Cursillo.

Your journey begins on Thursday evening and ends late Sunday afternoon. During these three days, you will be immersed in dynamic discussions about the teachings of Christ in a joyous atmosphere led by passionate Methodist laypeople and spiritual directors.

Discussions delve deep into the meaning of grace, the sacraments, the transformative power of prayer, and ways of living a life in union with God.

Weekends are filled with prayer, song, recreation, laughter, and moments of reflection and silence.

This extraordinary workshop on the fundamentals of our Christian faith is not only taught but experienced through a vibrant, loving Christian community.

Become a part of our Christian community where hearts are united in Christ's love, lives are dedicated to Him, and souls are uplifted by an environment of connection and support.

BECOMING A PILGRIM

Cursillo develops Christian leaders by strengthening their spiritual lives. Whether you're navigating unanswered questions about prayer, study, and sharing your faith or sensing the responsibility that comes with being a follower of Christ, Cursillo offers a dynamic space for growth and enlightenment.

To join, you will need a sponsor who has walked this path before you who will prepare you for the weekend and introduce you to your area Ultreya (reunion group).

If you are married, both you and your spouse may attend the same Cursillo, but it is not required.

FEE TO ATTEND

The fee to attend Cursillo is \$175. It includes all meals and lodging. An additional non-refundable \$25 application fee is due when your application is submitted. Scholarships are available based on need so do not let the cost prohibit you from attending.
